

Is God... unchangeable God?

Deity – The Unchangeable God – Moroni 8:18; Malachi 3:6; Hebrews 13:8

God is the same yesterday, today, tomorrow, forever – 2 Nephi 27:23

Thus, the principle of salvation and exaltation remains the same – The Gospel of Jesus Christ remains constant. God is eternal, and therefore the Gospel of Jesus Christ is eternal. The Word of God shall stand forever – Isaiah 40:8; Doctrine & Covenants (DC) 1:37-38... both revealed words and words that are yet to be revealed – Articles of Faith #9; Alma 26:22 -- Note: *my additional comments are enclosed in the open-close* '[...]'

Note, in the LDS Church (aka Brigham's church)– its prophets from one to another contradicted many times throughout history. One major example is the title of 'Mormon'... one say it is OK and spent \$100s+ millions on TV ads; and the next says it is not OK. Another example is the Temple Endowment presentations that have been changed multiple times. The most sad part, the LDS saints just continue blindly & roll-along, putting full trust in mortal men.

The Question of Mortal Man's Infallibility?**The Word of God:**

Jeremiah 17:5; 2 Nephi 4:34 Trust in God... trust NOT in the arm of flesh... curse is he that putteth his trust in the arm of flesh

DC 1:19-20 ...neither trust in the arm of flesh

Ezekiel 14:14 ...no prophet's righteousness can save another soul; God judges one's righteousness toward salvation

Galatians 1:8-9 anyone that preaches another gospel aside from the pure Gospel of Jesus Christ... let him be accursed

Isaiah 28:7 prophets and priests do err, they err in vision and they stumble in judgement (equate strong drink/wine to man's wisdom and precepts – very strong cool-aid)

[Even honorable and well-meaning men do err.]

DC 131: 6 It is impossible for a man to be saved in ignorance.

Isaiah 3:12,14 O my people, ...*they which lead thee cause thee to err*, ...the spoil of the poor is in your houses

2 Thessalonians 2:1-4, 5-8 Yet another Apostasy prophesied: the **son of perdition** sitteth in the Temple as if **he** were God... shall be destroyed with the brightness of the Lord's coming
(a man/leader holding a Temple recommend)

[The timing of this Latter-day Apostasy is **AFTER** the restoration of the Christ's Gospel via Joseph Smith Jr.]

[The Lord does not force His will upon His people (or Church Leaders). The people (or Church Leaders) always have the free-agency to comply to the will of God. Thus,

Current LDS teachings:

Follow the prophet: accept and follow the teachings and advice of the President. The General Authorities (GA), especially, the Presidents and the 12, are '**Infallible**' – God will never allow them to go astray. Elder Ballard of the 12 was the recent GA that pronounced the Infallibility of the First Presidency and the 12, in a General Conference in recent years (within the past 10 years).

[If 'God will never allow them to go astray', then God would cease to be God for destroying the eternal principle of 'Free-Agency'. In fact, the 'war in heaven' included the preservations of eternal principles, one of which is the Free-Agency.]

[Note: the 'Infallibility' doctrine of Leaders/Men – the First Presidency / GA, originally advanced by Brigham Young, became more mainstream after the death of President John Taylor. FYI: the 'Pope' declared Infallibility long before LDS Presidency / GA.]

In LDS Church General Conferences, in several occasions, the Infallibility doctrine is pronounced – keep your eye on the President (or the Brethren) of the Church. It is even said by at least one GA in the Council of the 12 (Ensign, Oct. 1972): if you follow your leader (or the Brethren), and if the 'thing' is wrong, the Lord will bless you for it – for being obedient (or being ignorant/blind of the truth?)

[Caution: **Blind-Faith** is never a part of the pure Gospel of Jesus Christ. The blind shall lead the blind to the ditch. Matthew 15:14; Luke 6:39]

[A mortal man (or men) claiming to be Infallible equates himself (or themselves) to God – who is Infallible.]

blessings or cursings will occur in one way or another, depending on the people's (or Church Leaders') compliance to God's preference/command.]

Is there only ONE Mediator between God and Man?

The Word of God:

1 Timothy 2:5 For there is one God, one mediator between God and man, the man Christ Jesus.

John 14:6 Jesus saith unto him, I am the way, the truth, and the life: no one cometh unto the Father, but by me.

3 Nephi 26:21 Church of Christ (not of man)

Moroni 6:4 ...relying **alone** upon the merits of Christ, who was the author and the finisher of their faith

Moses 6:52 ...the **only name** given under heaven **whereby salvation shall come... Jesus Christ**, the Only Begotten Son of God, full of grace and truth

Mosiah 18:2-18 the baptismal covenant is between the faithful believer and Jesus Christ, the Savior

[Caution: thus, no mortal man (prophet/priest/any mortal) can rightfully stand or pretend to be of such importance in stature to bar anyone entering the waters of baptism (or enter the temple) whose heart is broken and contrite, and believes in Jesus Christ.]

Ezekiel 13:1-4 ...Woe unto the foolish prophets, that follow their own spirit, and have seen nothing...

Current LDS teachings:

Every new convert must 'Pass the Pre-Baptismal Interview' prior to receiving the Baptism ordinance to be admitted to the Church: one of the questions asked is... Do you believe and accept President Russell Nelson / current President to be a prophet of God? [**Therefore, if a person in all honesty has **not** gained a testimony of the Church President, but has a testimony of Jesus Christ, he/she **cannot** be permitted into the Church – baptism would not be permitted: if that person says that he does not know President Russell Nelson well enough, to believe one way or the other, regardless of his fervent belief in the Savior Jesus Christ – will not be baptized.**]

Every church member seeking a Temple Recommend must 'Pass' (correctly answer) several questions, one of which is... Do you believe President Russell Nelson / current President to be a prophet of God?

[How often does a regular church member have an intimate correspondence with the Church President – very little (or semi-annual General Conference for a few minutes at best) to be honest. Once again, a person with all honesty may **not** have a testimony of the Church President, irrespective of the member's strong testimony of Jesus Christ, he/she **cannot** receive a Temple Recommend.]

If we follow the president (the Brethren) of the Church, we need never go astray. (Church News, Aug. 17, 1974, p. 16)

[Caution: This sounds and advocates placing Faith upon an arm of flesh – Blind-Faith placed in the Infallibility of mortal(s) – mortals that claimed infallibility.]

Special Witnesses of Jesus Christ – what so special?

The Word of God:

DC 107:23 the traveling councilors are called the 12 apostles or special witnesses of Christ.

DC 88:68, 93:1 As special witnesses, apostles/prophets must testify that they personally have seen the resurrected Christ.

New Testament/Book of Mormon era (and early LDS GA): All the apostles/prophets traveled, extensively, to witness to all the people they meet (to members and non-

Current LDS practices:

Practically all of the GA (presidents/apostles) rarely leave the safe and comfortable compound of Salt Lake City for extended period of time to do their proselyting duties to non-members (often, when on travel-assignments, they mostly speak before members of a Stake). If not all, most of them are board members of various Church corporations or investment portfolios. At least once a week (likely on a Thursday), they meet as a group in the Salt Lake Temple.

members alike) regarding the resurrected Christ and of His Gospel. They proclaimed the Kingdom of Heaven is at hand, and performed healing ministry, freely and openly – that the God of Heaven be glorified.

Today, **none** of the prophets/apostles have testified of personally seeing the resurrected Christ, the Savior.

[[Something is truly amiss.](#)]

What ever happened to the 'open' Healing Ministry and the Gifts of the Spirit/Holy Ghost?

The Word of God:

New Testament/Book of Mormon era (and early LDS era): Manifestations of healing, speaking of unknown tongues, raising the dead, casting out of demons are well manifested and enjoyed by the earlier saints.

Matthew 10:1,7-8 ...the Kingdom of Heaven is at hand. Heal the sick, raise the dead, cast out devils... [[Godcare](#)]

Isaiah 53:5; Matthew 8:17; 1 Peter 2:24; Psalm 103:1-3 ...Christ took our infirmities, and bore our sicknesses [Christ already paid for our sins and infirmities... Therefore, as saints, we are to move forward and claim the blessings of healing. It is not God's will that the saints remain sick – God paid a very high price of eternal significance: the Savior Jesus Christ's atoning sacrifice. John 3:16-17]

Genesis 18:13-14; Luke 1:37 For with God nothing shall be impossible.

3 Nephi 7:20-22 ...miracles performed... by the Spirit of God

Acts 5:12-16 open healing ministry – they were healed every one

3 Nephi 17:6-9; Psalms 103:1-3 Jesus healed those who were sick

Moroni 10:4-18; 1 Corinthians 12:4-11 list of the gifts of the Spirit/Holy Ghost

2 Corinthians 12:12; Romans 15:19; Mark 16:16-20; Mormons 9:24 signs of healing followed the saints... the word of God is **confirmed by the signs that followed**

1 Corinthians 14:2 For he who speaketh in an unknown tongue speaketh unto God (i.e. converses with God)

Moses 7:13 Enoch spoke the language (unknown tongue) that God gave him – so powerful was the word of Enoch. 3 Nephi 17:16-17 Jesus Christ spoke the unknown tongue

Current LDS practices:

There are **no** such 'open' Healing Ministries in the LDS gospel work.

In modern LDS era, majority of the saints who are sick will likely see a physician or go to a pharmacy and/or see the medicine cabinet. Obamacare-Trumpcare (and Health Insurance, Medicare) healing programs are more popular than God's healing program ([Godcare](#))?

The late GA – Elder Neal Maxwell, a former member of the 12 apostles, conveyed that his cancer was of God's will because he was not healed of it. All of the GA who laid hands on him to bless him for healing were unsuccessful – very sad indeed.

How many more LDS saints who have major sicknesses and afflictions (mental, physical, spiritual, emotional, etc) that are not enjoying the manifestation of the healing ministry? Why?

[[John 10:10 Jesus Christ came that we might have life, more abundantly – not sickly.](#)]

[[Luke 9:1-2; Acts 3:2-6-7-9 the commission to the apostles of God to invoke the Savior Jesus Christ name for healing... apparently to non-effect to current LDS Presidency and GA.](#)]

[Truly, something is very wrong and amiss.](#)]

Speaking in an unknown tongue is practically extinct in modern LDS community. It has been taught or a common LDS teaching-belief that the speaking in unknown tongue is the least of the gifts of the Spirit.

[[Whoever propagated such teaching-belief to the LDS community is truly uninspired. For every gift of the Spirit of God is great... for God is Great.](#)]

What about Miracles?

The Word of God:

New Testament/Book of Mormon era (and early LDS era): The Savior Jesus Christ was/is a Miracle worker as much as a Master Teacher-Great Rabbi of the Truth.

Current LDS teachings:

In LDS, most teachings from GA emphasize that those that seek signs / miracles are sinners and lacking faith in

John 2:1-11 ...marriage in Cana... water turned into the best wine

John 3:2; John 6:2-14; Acts 2:22; Mt 15:30-38 ...miracles are of God... healing the sick, and feeding the multitudes

The early saints enjoyed manifestations of Miracles.

Matthew 5:16-17 ...they were healed every one

3 Nephi 7:20-22 ...many healed, etc.

More on Miracles.. selected cites in the New Testament:

- Christ raised the dead (at least 3 mentioned)
- Christ casting demons
- Jesus Christ walking on water
- Christ commands to calm the storm
- Christ's atonement is a miracle
- Christ's resurrection, and many dead saints arose (resurrected) following Christ
- Christ's birth
- Christ's ascension to heaven (in the clouds)
- Christ appearing, reappearing, and disappearing amongst several people are miracles

2 Nephi 27:23; Moroni 7: 27-29; DC 35:2,8-9;

Mormon 9:11 **God is a God of miracles**

[So, if you call and believe '9:11' script found in Mormon, along with other cited scripts, you will have direct contact with the God of Miracles.]

1 Peter 5:6-7 Cast **all your cares** (small, big, impossible things that concern you) upon God– for God careth for you.

Moroni 10:4-18 the Gifts of the Spirit of God include miracles

Moroni 10:19,24 ...only by unbelief will the Gifts of the Spirit will be done away

[Note: Moroni, the last prophet-historian, sealed the sacred writings for the benefit of the latter day saints – Moroni 10:2-5]

Hebrews 11 Faith in Jesus Christ – the true believers – will have signs and wonders / miracles manifested in their lives

[Truly, first Believe with true Faith, then ye shall see the Wondrous Work of God.]

God. Saints are very much discouraged to even think of receiving (desiring) for miracles in their lives.

[This paradigm of teaching-focus is Negative. This negative-focus teaching retards the faith of the saints at the very root. This is very likely one of the main reasons why LDS saints do not experience miracles or the manifestations of miracles are very few/far in between occurrences.]

[For the most part, in the modern LDS era, the GA are very well-educated and have successful careers: Lawyers, Doctors, Professors, Business Owners/Executives, etc. Hence, all or most rely on their own power of reasoning and wisdom (& logic) based on the precepts of men – learning from the universities and business arenas. Thus, the Church is run like a 'corporation' – 'she' has become a corporation. Understandably, the concept of God's Miracles is **not** taught in the universities and business arenas.]

In these latter times, the Church does **not** have a 'formal' class/program, that meets regularly, for Healing Ministry that will cater to healing of all kinds of infirmities (especially healing against major illnesses) – very sad indeed.

[One would think that a Church (especially the GA) that professes to hold the Power and Authority of the Priesthood of God would be able to readily and often be able to perform healing for the saints in these latter days.]

[From the pulpit, GA and other leaders, being good counselors, give decent counseling talks regarding life in general – however, often they lack the power that truly make permanent changes (miraculous or otherwise) in the lives of the saints. If not all, most counseling talks are rehashed from the past – at times, sounding like 'broken records.' If not all, most talks are delivered as prepared talks and read at the pulpit – the spontaneity of the Spirit's input is greatly diminished.]

Should saints continuously seek truth, even the mysteries of God?

The Word of God:

1 Corinthians 2:11 For what man knoweth the things of a man, save the spirit of man which is him? Even so the things of God knoweth no man, but the Spirit of God.

Current LDS teachings:

In these latter times, we often hear from GA to leave the mysteries alone. The saints are strongly discouraged from searching out the mysteries of God.

1 Corinthians 2:9-10 ...the mysteries – the things which God hath prepared for them that love him. But God hath revealed them unto us by His Spirit: for the Spirit searcheth all things, yea, the deep things (mysteries) of God.

1 Corinthians 2:12-14 ...the things of God are taught by the Holy Ghost, because they are spiritually discerned

1 Nephi 1:1 Nephi had great knowledge of the mysteries of God

1 Nephi 2:16 Nephi cried unto the Lord to know more about the mysteries of God

1 Nephi 10:19 For he that diligently seeketh shall find; and the mysteries of God shall be unfolded unto them, by the power of the Holy Ghost...

Alma 12:9-10; Doctrine & Covenants 71:6 ...he that will harden his heart, receiveth the lesser portion of the word; and he that will not harden his heart, to him is given the greater portion of the word – to know the mysteries of God until he know them in full.

Alma 26:22 ...he that repents and exercises faith with good works, and prays continually will know the mysteries of God, even things which never been revealed...

James 1:5 -6 If any man lacks wisdom, let him ask of God...

John 8:32,36 ...the Truth shall make you Free... [from sin and misery, and from the precepts of men]

DC 131: 6 It is impossible for a man to be saved in ignorance.

[This is yet another advice from GA that is retarding the truth seeker from increasing his/her core knowledge on certain subject of interest.]

['Feed my sheep' takes a backseat priority.]

[When an elder or a saint does not comprehend or understand certain subject matter related to the words of God... is it not proper to seek additional info or enlightenment from those who are perceived to have more knowledge on the subject in question (from GA perhaps)?

Instead of receiving additional light on the subject matter, the elder seeking info is 'scolded' for even considering to gain more info. One can only wonder the rationale for such scolding: a) the GA has no time to address such inquiry, b) GA does not know much about the subject matter, c) the mysteries are to remain mysteries.]

[If mysteries are to remain mysteries, why does God even have them hinted in the scriptures?]

[Doctrine & Covenants 71:1 Joseph Smith Jr was instructed to expound on the mysteries of God by the Holy Spirit.

Apparently, the LDS GA are unable to expound on the mysteries of God – Why? Symbolic meanings in Temple ceremonies – cannot talk about them in/out of the Temple – they have NO Clue; just collect Tithing - done!]

The so called Prophets & Apostles, and GA of the LDS are the modern Sanhedrin and Pharisees which the Lord despise for **False** teachings, precepts, commandments, and traditions of men (the arm of flesh).

What are the missing, yet useful artifacts?

The Word of God:

Urim and Thummim

- Used by authorized servants of God

Seer Stone

- Used by authorized servants of God

[Several prophets of God in previous eras (Bible and Book of Mormon), including Joseph Smith Jr's era, are blessed with God, providing them with Urim and Thummim and/or Seer Stone.]

Current LDS Practice:

Urim and Thummim

- Non-existence

Seer Stone

- Not used
- A 'Seer Stone', used by Joseph Smith Jr, is purported to be in the Historical Archive of the Church

[Why is this Seer Stone NOT being used by the First Presidency?... Perhaps, it does not work for them... not authorized by God...]

[In these latter days, one would think the usefulness (and importance) of having a Urim and Thummim and/or a Seer Stone to face the challenges of modern life. One can agree that 'our days' are as important to that of the days

in the earlier eras that enjoyed the God-given tools: Urim and Thummim / Seer Stone.]

Is it valid for Modern Church Leaders to replace / disregard / disavow the teachings (eternal principles) of Previous Church Leaders?

The Word of God:

Deity – The Unchangeable God Moroni 8:18
God is the same yesterday, today, tomorrow, forever.
2 Nephi 27:23

Thus, the principle of salvation and exaltation remains the same – The Gospel of Jesus Christ remains constant. God is eternal, and therefore the Gospel of Jesus Christ is eternal. The Word of God shall stand forever – Isaiah 40:8; DC 1:37-38

Mark 12:27 He is not the God of the dead, but the **God of the living**: ye therefore do greatly err...

1 Corinthians 14:33 God is **not** a God of confusion.

Galatians 1:8-9 anyone that preaches another gospel aside from the pure Gospel of Jesus Christ... let him be accursed

Isaiah 28:7 prophets and priests do err, they err in vision and they stumble in judgement (equate strong drink/wine to man's wisdom and precepts – very strong cool-aid)

[Even honorable and well-meaning men do err.]

Ezekiel 13:1-4 ...Woe unto the foolish prophets, that follow their own spirit, and have seen nothing...

Current LDS Practice:

Since the passing of Joseph Smith Jr, several key teachings of early Church Leaders were/are replaced or have been modified, or some have been abolished, or some of the earlier teachings have been disavowed by the LDS Prophets / GA.

The LDS Church Leaders emphasize to the saints that the words of the LDS Church Leaders are more important and relevant than the 'dead' prophets. So, the saints are admonished to 'keep your eyes' on the living Prophet / GA.

[Saints are told to place their Faith upon the arm of flesh.]

[This doctrine of 'modern (living)' prophets can supersede the 'early (dead)' prophets This breeds confusion – advocating a false Changeable god.]

[Reminder: in truth and in reality, there are no such thing as 'dead' prophets – they are very much alive and have passed on from the mortal sphere to eternal sphere. They are very much involved with the eternal plan of God for the salvation of mankind.]

[As saints, who are we to believe, Joseph Smith Jr who had personal communion with the Savior, or the succeeding Prophets who have never received personal manifestation of the Savior.]

Does the Lord needs 501c(3) for His Church... a tax-exemption?

The Word of God:

Matthew 17:24-27 ...Doth not your master pay tribute? He saith, Yes (, He does).

[Christ agreed to pay the tribute to the secular ruler/government.]

Matthew 22:17-21 ...Is it lawful to give tribute unto Caesar, or not?... Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's...

[Christ never wanted that the secular government to have any degree of influence upon His Church's internal affairs.]

[Christ does NOT need any subsidy from the secular government for His Church to function.]

Current LDS Practice:

The First Presidency and the GA would not want to lose this tax-exemption status.

[Thus, the secular government has certain 'influence' in the church relative to tax-exemption.]

[The LDS Church has become a corporation. A 'money' magnet for all sorts of cash donations – see the current-updated donation slip – Tithing and Other Offerings:

- Tithing
- Fast offering
- Ward missionary
- General missionary
- Book of Mormon
- Humanitarian aid
- Temple construction
- Perpetual education

<p>John 14:30 ...the prince of this world cometh, and hath nothing in me...</p> <p>[The devil and his sphere of influence has nothing in common with Christ. Who should hold the 'purse' – the funds (tithes & offerings) and resources / properties of the Church?

<p style="text-align: center;">The Word of God:</p> <p>DC 51:13 Decentralized control – the office of the Bishop per local Church, manages the Church's storehouse.</p> <p>DC 51:18 ...this shall be an example... in other places, in all churches</p> <p>[The local storehouses of church wards are to be managed using the same template/prototype.]</p>	<p style="text-align: center;">Current LDS Practice:</p> <p>Centralized control – the office of the First Presidency, located in the Church Head Quarters in Salt Lake City.</p> <p>The First Presidency and GA, and those 'professionally' employed by the Church are paid by the Church's funds.</p> <p>The offices of the Church Bishop and the local Bishops do not have full control of the Tithes and Offerings.</p>
--	---

[*DC 51 is a direct revelation from the Savior or revelations given by the Spirit of God... as all the scriptures cited.*]

Malachi 3:10 Bring ye **all the tithes** into the **storehouse**...

Deuteronomy 26:12 ... all the **tithes of thine increase**...

DC 119:3-5 ... shall be **tithed of their surplus**...

[*Tithing should **not** be based on the Gross Income, since govt-taxes + living expenses must be paid beforehand.*]

DC 51:12 'disbursements and management' ...be done through the bishop or his agent, which shall be appointed by the **voice of the church** (by the voice of local church membership)

[*The Lord very wisely factored-in that the 'voice of the local church membership' has input and be informed on the usage of the funds/resources in the local storehouse.*

Transparency is very important to the Lord.]

[*Once again, the Lord wants His people to be informed, not ignorant of the facts.*]

DC 51:5 ...for the poor and needy of my church...

DC 51:13 ...to meet the wants of the local membership

DC 51:14 ...the 'local' bishop is also allowed to draw from the storehouse for his family needs/wants, as he shall be employed in doing this business (the Lord's business)

[*The accountability for the Tithes and Offerings collected from the local membership rest upon solely on the local Bishop. The local Bishop makes a report of the management (all receipts and disbursements to/from the storehouse) of the local storehouse to the local church membership. The voice of the local membership is an important factor to the usage of the funds in the storehouse.*]

The local Bishops do not make any report of receipts/disbursements of both Tithes & Offerings to the local church membership.

There is 'NO' Transparency regarding the Receipts/Disbursements/Investments of all funds (Tithes, Offerings, etc) collected from Church membership. No Transparency means No real facts presented or substantiated – certainly NOT 100% facts.

[*No Transparency is a direct violation of the will of the Savior: it advocates no true accountability – it perpetuates Blind-Faith.*]

[*The First Presidency and GA deliberately keep the Church membership ignorant or uninformed (or misinformed) relative to the Church funds, and many other subjects.*

This clearly advocates and perpetuates the practice of 'Blind-Faith' – not part of the pure Gospel of Jesus Christ.]

A great deal amount of time by the First Presidency and GA is being spent in the management of church-related businesses and investments: Shopping Malls, Resorts, Hi-Rise Buildings, Stocks of various corporations, Bonds, etc.

[*The First Presidency and GA are very keen on keeping the 501c(3) tax-exemption status of the Church... as if doing the Lord a great favor...*]

[*A saint might ask an honest inquiry... what percentage (%) of the Church funds actually for the poor and the needy of the church membership? Whatever % it comes to, it is definitely not enough... there are many ordinary saints that are struggling, including local bishops / branch presidents.*]

[*Per Church HQ records: if a saint is not contributing to Tithes & Offerings, that saint is unprofitable (irrespective of the personal circumstances) – such person cannot be directly employed by the Church – only Full-Tithe contributors may be employed Full-Time by the Church, and he/she very likely will be hard-pressed in obtaining a renewal of his/her Temple Recommend.*]

Is the LDS Church (Savior's House) non-compliant to the Savior's will?

The Word of God:

DC 85:7 ...the Lord God will send one mighty and strong... to set in order the house of God...

[*The house of God needs to be set in order because it is out of order. This prophetic word is a foreshadow from a past event to a latter day event.*]

Current LDS Practice:

The First Presidency and the GA believe that they are managing the Savior's Church/House in compliant – in perfect harmony with the will and economy, and government of heaven – the will of the Living God.

[*Several key prophets in the past disagreed – their prophetic words are very alarming: things are not well in the current Zion. 2 Nephi 28:21*]

Mormon 8:26-28,35-37,38,39-41 ...why have you polluted the holy church of God?... 2 Nephi 28:9,12

[There is only one 'holy church of God' that Moroni is referring to – the restored one via Joseph Smith Jr: Moroni laments that in the latter days the holy church of God has become 'polluted'. Moroni blames the 'Teachers' (or Leaders) – it is from within that the pollution has come about and perpetuated.

Moreover, Moroni is extremely upset that the poor and the needy are being neglected, and that the Leaders love money more than taking care of the people of God. Moroni understood (shown to him in vision) that the 'perks' of the First Presidency and GA are well above normal standard of living – certainly much higher than average saint's life standard (the 'perks' cannot be compared to the plight of the poor and needy saints.)

DC 52:40 Those who neglect the poor and the needy, the sick and the afflicted are **not** the Savior's disciples

Isaiah 28:2-3,7 ...the drunkards of Ephraim, shall be trodden under feet:the priest and the prophet... they err in vision, they stumble in judgment..

[The Leaders are drunkard with strong drink/wine... 'equate strong drink/wine' with their own wisdom and precepts of men – practically all of the Leaders... First Presidency / GA are very well educated – Lawyers, Doctors, Professors, Business Executives/Owners – holding high educational degrees from prestigious universities and received professional training from top corporations – all are well versed in the precepts of men – 'well tested and proven men... well experienced men' – nonetheless they are all 'men of mortal flesh'.]

Isaiah 24:5 The earth also is defiled... because they have transgressed the laws; they changed the ordinance; and they have broken the everlasting covenant...

[In the latter days, the only people that had the everlasting covenant are those who belonged to the 'holy church of God' – but the church has become 'polluted' according to Moroni and Isaiah, and other earlier Prophets.

Those in the Leadership are the ones that have the power to make changes that would have sweeping impact upon the people of God – the wisdom and precepts of men were/are introduced; hence the laws are transgressed, the ordinance changed, and the everlasting covenant is broken.]

[If not all, majority of the saints are exercising 'Blind-Faith' placed upon the arm of flesh – the First Presidency / GA. Blind-Faith is never part of the pure Gospel of Jesus Christ.]

[Caution: The blind leaders shall lead the blind to the ditch. Matthew 15:14; Luke 6:39]

[Blind-Faith diminishes (retards) building a real and true personal relationship with the Savior Jesus Christ.]

2 Thessalonians 2:1-4, 5-8 Yet another Apostasy prophesied: the **son of perdition** sitteth in the Temple as if **he** were God... shall be destroyed with the *brightness of the Lord's coming* **(a man/leader holding a Temple recommend)**

[The timing of this Latter-day Apostasy is **AFTER** the restoration of the Christ's Gospel via Joseph Smith Jr.]

[2 Nephi 28:9 Leaders keeping the Saints in the state of ignorance means that certain works are done in the 'dark,' as the mortal Leaders continue to propagate and perpetuate the practice of 'Blind Faith' upon the arm of flesh – in the LDS GA.

For the praise of the world, for the accumulation of wealth (in the expense of the poor and needy saints), for breaking the everlasting covenant by indoctrination based on the precepts of men, and for propagating & perpetuating the practice of 'Blind Faith' based upon mortal flesh, the Lds Leaders have been and are in the pursuit of building up the god of Babylon/Baal, whose fall (demise) is certain.] Isaiah 3:12,14 O my people, ...*they which lead thee cause thee to err*, ...the spoil of the poor is in your houses (Lds Temples)

Ezekiel 13:1-4 ...Woe unto the foolish prophets, that follow their own spirit, and have seen nothing...

[Even honorable and well-meaning men do err.]

Galatians 1:8-9 anyone that preaches another gospel aside from the pure Gospel of Jesus Christ... let him be accursed

[In these latter times, it is very discomfoting that the real (true) status of 'Restored Church' is out of order.]

What is Pure Religion approved of God?

The Word of God:

James 1:27 Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world. 3 Nephi 12 thru 15 chapters; Mt 5 thru 7 chapters

Love God, and Love our neighbors as we care for ourselves.

The Love of God: Jesus Christ, the Redeemer-Savior-Messiah-Mediator – the Author and Finisher of our Faith

We speak, testify, teach of Jesus Christ. The light and image of Christ is upon us. We walk by the Spirit of God.

Love, Hope, Faith, Charity, Mercy, Grace, Goodwill, Repentance, Forgiveness, Service, Obedience and Faithfulness, Compassion, Honesty, Good Samaritan, Bear the Cross, Patience, Golden Rule, Prayer & Fasting & Worship, Revelation & Scriptures, Priesthood, Righteousness, Holiness, Godliness, Devotion

Take care of the poor and the needy – DC 52:40

100% Compliant to God's will: **Live the Pure Gospel of Jesus Christ – Matthew chapters 5-7; 3 Nephi chapters 12-5; The Rod of Iron**

Hear ye all Israel (all People), the Lord our God – the Lord is One, Praise ye the Lord. And let All glory, honor, power, praise, and dominion be Thine forevermore, O God. Hallelujah and Hosannah unto the Most High, our Heavenly Father, the Almighty, and unto the Savior Jesus Christ, our Lord, Redeemer, Messiah, Mediator-the Author and Finisher of our Faith, the Good Shepherd-our Advocate with the Father, and unto the Holy Ghost, the Testator and Revelator of all Truth. Thank Thee O God, Praise Ye the Lord.

Note: No Blind-Faith / No Faith upon the arm of flesh is allowed or tolerated.

Current LDS Practice:

Whatever/However it is defined by the First Presidency and GA. The current practice as presently constituted.

[Currently, certainly **way below** 100% Compliant to God's will.]

[Prophet Moroni and other Prophets of earlier eras are very displeased – they prophesied of the pollution and corruption due to precepts of men in the LDS Church – the propagation and perpetuation of Blind-Faith (Infallibility of Mortals): trusting in the arm of flesh – the love of 'money' and perks, and the praise of the world take center stage. While the poor and the needy, the sick and the afflicted are neglected.

The laws of God transgressed, the ordinances changed, and the everlasting covenant broken. The LDS Church is out of order.]

[The true followers / sheep of the Good Shepherd, Jesus Christ, will hear and recognize His Voice: John 10:1-15,27-30.

Pray that you may have the ears to hear, the eyes to see, and a heart to understand the words of the Savior Jesus Christ.

The true followers will not follow or continue living by Blind-Faith upon the arm of flesh.]

To the saints, what are we to do?**The Word of God:**

- Repent... God is a 'present' God... a God of now.. He wants us to repent now/today, for He is willing to forgive and bless our lives at the present time. The Great Redeemer is the Great I Am (present tense – now).
- Today is the day that we can perform our labors acceptable to God. 'Tomorrow' may be too late.
- Eliminate 'Blind-Faith' – put ALL your faith and trust in Jesus Christ, the Redeemer, the only True Mediator between God and man.
- Develop a strong, true and real personal relationship with the Savior Jesus Christ. Know Him, Seek Him, Invite Him into your life – Invite Him into your home. **Expect Him to visit you in His person – He will do so.**
- Schedule a daily devotional and worship of the Living God: Spend a sacred time for God and yourself, and another block-of-time with your family, worshipping God.
- Be a student of the scriptures – know and claim the wonderful promises of God for you and your family members.
- Exercise faith and belief in Jesus Christ and the words of God – do expect blessings, signs and miracles to be realized in your life – for God is truly a God of miracles.
- Blessings, signs and Wonders, and Miracles do follow the Saints' faithfulness – including healing and prosperity. Indeed, the words and promises of God will be verified in your faith-filled, prayerful life.
- Live the 'Pure Religion' approved by God.
- Be about helping the poor and the needy (with your time and/or direct-funds donation to grassroot organizations that directly assist the poor and needy) – get personally involved with charitable groups that actually assist the poor and the needy in your locale – homeless shelters, soup kitchens, community food pantries, etc
- Make Righteousness, Holiness, and Godliness a 'norm' in your daily family life.
- Do Fast and Pray, often
- Forgive all those who have transgressed against you (past, present, future), then seek God to forgive you

Current LDS Practice:

- Continue with the 'Blind-Faith' practice, supporting mortal man's infallibility of the First Presidency / GA
- Keep your 'eye' on the Prophets / GA... - the arm of flesh
- Do not seek for signs and miracles in your life
- Leave the mysteries of God alone
- 2 Timothy 3:5 – having the form of godliness, but denying the power thereof – 2 Nephi 28:4-5
- Perpetuate the 'gross errors' of what is Pure Religion, including the Non-Transparency practice – more of 'Blind-Faith'
- Spend lots of your time in meetings and services that take you away from developing and nurturing 'quality' relationship with your own family members
- Donate more of your funds to increase investments toward Shopping Malls, Hi-Rise Buildings, Resorts, Corp Stocks, Municipal Bonds, and the likes (minimal percentage to the poor and the needy, the sick and the afflicted) – more of 'Blind-Faith' – in the expense of the poor.
- LDS Leaders are very much keen on their individuals & collective Retirement Funds, and First-Class Perks – the best the money can buy!

[no wonder Moroni is very upset...]

- The LDS Temples have been a real 'money magnet' for the LDS Church-Corporation – the saints are indoctrinated that a temple recommend will ensure entry to the highest level of the Celestial Kingdom. [Hence the saints (even by Blind-Faith) do pay full tithes & offerings (while many do pay more than 10%) – this is often used (falsely) as the 'measuring stick' of one's faithfulness to the Savior, as being a profitable servant.]

[Caution: Do not allow any mortal to 'hijack' your personal faith in the Savior – trust NOT in the arm of flesh – stop practicing 'Blind-Faith'

Your attendance to the LDS Temples will not guarantee your entrance to the Kingdom of God. No amount of one's cash contributions will secure one's place in the Celestial Kingdom. Paying 'Indulgence' (Tithing as Entry Fee to Lds Temples) is of the devil.

- Dispose of anything in your life and environment that will drive away the presence of the Spirit of God
- Monitor where your time is spent – time is precious where your energy is spent
- Do not fear man or the arm of flesh
- Do not fear evil/devil – in Jesus Christ’s name-power-authority, cast out the evil/devil from your life, home, community, business, etc
- Do cast out the demons and the evil spirit of infirmities from your life – do so in the name-power-authority of the Holy Messiah, Jesus Christ
- Know, Understand, Believe that you, a saint of God, is authorized to invoke the Holy Name of Jesus Christ to bless your life – James 5:13-16
- For the believing saints, Jesus Christ, His Holy Name, is the very Keyword that blessings, healings, miracles, are realized – including the casting out of (all things negative) all evil spirits of infirmities, sicknesses, curses, poverty, allergies, and the devil and his minions
- Jesus Christ, the Person and the Name, is the One that has the Power-Authority of the Living Words, Blessings, Promises, Healings, Actions that are carried out by heavenly angels
- I Believe, I Receive in Jesus Christ
- Bring heaven to earth, the kingdom of God is at hand
- Make your home a place where God, Jesus Christ, and the Holy Spirit can commune with you

Yes, eventually – in the near future, the Lord Jesus Christ will establish His Kingdom on earth, the True Zion will be established, and He will reign forever – get ready for the return of the Savior Jesus Christ in glory – the great and dreadful day.

Indeed, it will be a very “dreadful day” for the False Prophets and Apostles (and their Blind Followers), along with evil doers.

In the LDS Church, your Tithes and Offerings, minimally, go to the poor and the needy, and to the sick and the afflicted.

In fact, you are supporting the propagation and perpetuation of Blind-Faith in the arm of flesh.]

[Caution: Do not be like the chief rulers, because of fear, they did not confess Christ, lest they should be put out of the synagogue. For they love their access cards (or temple recommends) and being considered as the most ‘devout’ members (John 12:42).

Do not be afraid of losing a Temple Recommend for refusing to propagate and perpetuate Blind-Faith in the arm of flesh.

Developing a Real and True personal relationship with the Redeemer Jesus Christ is more important and of great worth (more than Lds Temple attendance) when you come face to face with the Savior Himself.]

[Per John 16:1-3... the true believers of Jesus Christ, not believing in the arm of flesh-mortal leaders, may be ‘put out’ of the synagogues by the governing rulers of the synagogues. This may be a heart-breaking experience for faithful members – but do consider that your Real and True allegiance and personal relationship to Jesus Christ is of greater value. The Good Lord will never abandon a true converted Christian, whose heart is broken and contrite – such as one will enjoy the loving assurance of the Savior, and will have the companionship of the Holy Spirit and enjoy the gifts of the Spirit.]

[Those who continue to practice Blind-Faith, supporting and propagating and perpetuating the Infallibility of mortals, believing in the arm of flesh, willfully or by ignorance, will be counted as unwise virgins who do not have enough oil in their personal lamp.

Seriously consider, the Blind-Faith believers cannot and do not reflect the True Light and Image of the Savior Jesus Christ in their personal countenances.

The Blind-Faith believers cannot develop a true and real personal relationship with the Only True Redeemer, the Savior Jesus Christ.

The LDS saints are duped by the modern LDS Sanhedrin & Pharisees – just saying this in a mildest term!]

Do you align with Christ' words or with the LDS Corp-Church precepts-teachings-commandments-traditions advanced by mortal men of flesh?

After the murder of Prophet Joseph Smith Jr, the LDS Church lost the keys and authority of God – the LDS Church has become ‘polluted’ as Prophet Moroni (and Prophets Isaiah and Ezekiel, and Apostle Paul, Prophet Joseph Smith Jr, Mormon, Lehi, the Brother of Jared) prophesied/testified, including Christ.

Hence, the LDS Church is imperfect (no direct revelation & no keys or authority from God) – just like the other Christian or Non-Christian churches in these latter times – all are imperfect and being run by well-meaning, honorable men (nonetheless, all ‘men of mortal flesh’) – many are not so honorable, however.

Isaiah 3:12,14 O my people, ...*they which lead thee cause thee to err*, ...the spoil of the poor is in your houses (Lds Temples). Note: the common Lds members are striving to follow the Savior, but are being misled by those that Lead them. It is time to wake-up and repent of complacency – put your trust in the Redeemer Jesus Christ, not in the ‘arm of flesh’. Stop the propagation and perpetuation of ‘Blind-Faith’. Do Pray and Fast (often) that you will come to know the truth. Without true repentance, destruction is certain. Align your allegiance with the Redeemer Jesus Christ. As for me and my house, we will serve the True Eternal God and His Son – the Savior Jesus Christ, & enjoy the Holy Ghost’s witness

The LDS Church Highest Leadership (aka. ‘Teachers’ as Moroni refer to them) – the First Presidency and the GA – are paid by the collected funds from the membership. The Salaries and benefits (totaling well into 6-Figures), these ‘perks’ **for each** of the First Presidency and GA are pretty good – so good that Prophet Moroni is **extremely upset** that ‘...ye do love money, and your substance, and your fine apparel, and the adorning of your churches, more than ye love the poor and the needy, the sick and the afflicted... **why have ye polluted the holy church of God?**... *Mormon 8:35,37-39,40-41; Doctrine & Covenants 52:40, 2 Nephi 28:12-13*. The Lds temple ordinances are corrupted and polluted by the false precepts of men – the arm of flesh.

According to Prophet Isaiah (*Isaiah 28:2-3,7; Isaiah 24:5*): the priest and the prophet have ‘lost it’ – the revelation and the full authority from God... because the transgression against the law of God, the ordinance changed, and the everlasting covenant broken. Apostle Paul prophesied regarding the latter-day apostasy (*2 Thessalonians 2:1-4,5-8*).

Prophet Joseph Smith Jr recorded a foreshadow of One Mighty and Strong that will come to set in order the House of God (because it is out of order) - *Doctrine & Covenants 85:7-8*.

According to Prophet Ezekiel (*Ezekiel 13:1-4*): ‘...Woe unto the foolish prophets, that follow their own spirit, and have seen nothing...’ No wonder, that the LDS First Presidency / GA preach the ‘Infallibility of Mortals’ doctrine of the Highest LDS Leadership – to keep the membership believing that they are continually receiving ‘revelations’ from God. The **Infallibility of Mortals is a purely man-made doctrine – to propagate and perpetuate ‘Blind Faith’ practice** amongst the people. *The Infallibility of mortals and Blind-Faith are not part of the pure Gospel of Jesus Christ*. Indeed, as the Savior Jesus Christ indicated – the blind leaders shall lead the blind to the ditch (*Matthew 15:14; Luke 6:39*).

According to Apostle Paul (*Galatians 1:8-9*): ‘... If any man preach any other gospel ... let him be accursed.’

Because of the false precepts-teachings of the Top LDS Leaders, I strongly recommend all Lds saints to **EXIT** from the Lds church-corporation: do not allow yourselves and children to be aligned with an organization whose temple works are regarded as abominations before God. Align yourselves with the Savior Jesus Christ, not with the Top Lds Leaders – who have dug a pit of damnation for all of its membership. Moroni testified against them (the Leadership of men) for ‘...ye do love money... more than the poor and the needy, the sick and the afflicted... - stop supporting the Lds church-corporation with your time, talents, and funds. I prefer to work directly with local charity groups (both my funds and time) that actually assist the poor and the needy (working with Homeless Shelters, Soup Kitchens, Community Food Pantries, etc.), as well as directly helping needy church members and others (non-members). One international organization that I believe that do good works with the poor and the needy, the sick and the afflicted, is the “Doctors Without Borders” – these medical professionals even risk their own lives to help others.

For over a year (weekly-on weekends – in fact, for almost 2 years), I have prayed and fasted, and earnestly sought the Lord's direction regarding the True Status of the current LDS Church. Truly, it has taken me years of pondering on this issue: now finally I put this writeup together.

Everyone is entitled to Free-Agency, and to receive your own personal revelation regarding the current True Status of the LDS Church – **I hope you do pray and fast (often) as I have done.** May the Good Lord enlighten you to the Truth.

The Lord, the Savior Jesus Christ, lives and loves us. He wants us to Love God, and to love others as we care for ourselves. The Savior wants us to develop a '**direct**' Real and True personal relationship with Him (not trusting the arm of flesh, not perpetuating Blind-Faith) – I pray that we earnestly seek Him, know Him – only in the Savior Jesus Christ – the only Mediator between God and man, can we return to the presence of our Heavenly Father and enjoy eternal life.

During this very late hour of the latter-times, the goodness of the Savior Jesus Christ has come to all true believing Christians: **a true and real personal relationship with the Savior Jesus Christ is what truly counts.** Many Christians (especially non-LDS) have received a true witness of the Savior – they are enjoying the companionship of the Spirit of God and the gifts of the Spirit. Many of the true believing Christians do not consider themselves denominational (or belonging to any specific man-made churches – for none holds the entire fulness of the power-authority of God in these latter days. These non-denominational Christians believe in the Redeemer Jesus Christ and do practice the 'pure religion' as defined by the holy scriptures (not by uninspired mortals, like the LDS Leaders - though they may claim 'infallibility').

Those who are the elect of God will hear and follow the voice of the Good Shepherd: The true saints of God will adhere to the words of the Savior Jesus Christ – the pure and simple Law of the Gospel – the Rod of Iron. *3 Nephi 12 thru 15 chapters; Matthew 5 thru 7 chapters; James 1:27; John 10:1-15, 27-30.*

Consider the parable of the 10 virgins: only 5 were wise (allowed) to enter the Lord's Kingdom (only 5 savored the Image and the Light of Jesus Christ in their personal countenances): **a true and real personal relationship with the Redeemer Jesus Christ is what matter most – love God & love others as oneself** – certainly NOT by Blind-Faith believing in the arm of flesh. The true believing Christians (regardless of church affiliations or non-denominational) shall all be gathered into the fold of Jesus Christ when the True Zion is established in the last day, and the Lord Jesus Christ shall reign.

The message is more important than my name. Only by God's Grace, Love, Charity, Compassion, and Mercy, have I been privileged to have seen the throne of God (as others have... *2 Chronicles 18:18, 1 Nephi 1:8, Alma 36:22; Doctrine and Covenants 76:20-22*). Indeed, the Redeemer Jesus Christ lives and loves us. Only through the eternal atoning sacrifice of the Holy Messiah, the Savior Jesus Christ, can we be allowed into the presence of God. **God wants you to talk to Him directly!**

Do strive to develop a strong, true and real personal relationship with the Savior Jesus Christ. Know Him, Seek Him, Invite Him into your life – Invite Him into your home. **Expect Him to visit you in His person – He will do so.**

May the Love of God continue to grace your life. May the Light of Christ continue to shine upon you. May the Lord's Holy Spirit continue to shower you with enlightenment, comfort, and peace – and endow you with the gifts of the Holy Spirit.

"God's eyes have never become dimmed with age; His ears have never become dulled with the years; His arms have never been wanting in strength, nor have His footsteps ever faltered. He is not changed; He is still the same, immortal, immutable, invincible, approachable, loving, merciful, caring, charitable God, in all ages. He makes a commitment of Himself to me and you – indeed, God is faithful. What a gift, what an offering, what a measureless, boundless condescension of the infinite God to give Himself." – ***Recipients of God's Goodness***
