

Throughout history to present day, God's people are afforded with multiplicity of blessings, one of which is the Divine Healing.

The purpose of this article is to educate and inspire the believers of Jesus Christ to **claim** the promises associated with the blessings of healing: The central focus for a healing to take place upon an infirmed person (e.g. afflictions of... mental, physical, spiritual, emotional, disease of any kind, blindness, deafness, paralysis, obesity, diabetes, cancer, arthritis, allergy, stress, depression, confusion, broken heart, injustice, unbelief, ignorance of the truth, dullness of hearing, eyes with scales, hardened heart, darkened mind, etc.) is the belief and faith in the Savior Jesus Christ, the Son of the Living God.

The very name (the Being of Jesus Christ) is the very keyword to invoke, along with faith, in order for a healing to take effect upon any believing person: the gift of healing – one of the gifts of the Holy Spirit shall be realized.

Act 10:38 ... God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with Him.

Commentary: The indwelling of the Holy Ghost with power (the gifts of the Holy Spirit) enables a mortal person to cast out devils from those who are oppressed with evil-spirits of infirmities – such actions are accomplished in the name of Jesus Christ. Note, Sicknesses and diseases (even death) are attributed to the devil whose mission is to oppress, torment, afflict, defile, and/or kill the souls of the children of God.

Each child of God is given the promised of the Holy Ghost (His companionship - indwelling) and the associated gifts are available upon those who seek and desire to follow the Savior Jesus Christ. The Christ New Covenant encompasses the blessings that include the Gifts of the Holy Spirit, having the Holy Ghost as one's personal guide in life.

The healing ministries of the Savior Jesus Christ and Jesus' Disciples & Believers often include the casting out of devils (or evil-spirits of infirmities). The Savior has given a command for all His disciples to cast out devils and pronounce healings upon those who are sick and afflicted of all kinds of diseases – all to be accomplished in the Holy name of Jesus Christ.

Every recipient of divine healing **must claim and accept the promised words of God**, having faith in Jesus Christ, and must truly desire to be healed. Such person must take/accept the promised words of God, cognitively, not by feelings but by taking / accepting the words of God as they stand or pronounced. **Proverbs 4:20-22: do study & ponder & accept the words of God as the very prescriptions for divine healing – health for all flesh.** Note, the words of God are also the best prescriptions against all evil-spirit of infirmities (physical, emotional, psychological, and spiritual). Spiritual healing is being born-again in Christ Jesus.

DC 35:2, 8-9 I am Jesus Christ, the Son of God..., and I will show miracles, signs, and wonders, unto all those who believe on my name. And whoso shall **ask** it in my name in faith, they shall shalt cast out devils; they shall heal the sick; they shall cause the blind to receive their sight, and the deaf to hear, and the dumb to speak, and the lame to walk, and _____ to disappear, and _____ to be overcome. [**fill-in the blank of your personal infirmities, etc.**]

The Blessing and Promise of Healings are for all children of God. By following the Savior's words, a person can develop sufficient faith to be healed or to heal, and enjoy a more abundant life. For the Savior came unto the world so that we can enjoy a life of abundance, a life filled with blessings, a life of good health, a life of happiness – a productive life. Any person who believes in Jesus Christ, and who will **ASK** in faith, can realize the blessing and the promise of healings in one's life.

'Whosoever shall believe in Christ' ... anyone – a child, a woman, a man can receive/perform healing! Priesthood is not required – only belief with true faith, with an eye single to the glory of God, is necessary for healing to take place.
Note: the person herself (or himself) can pronounce (petition or pray) for a personal healing upon oneself or others.

Do not be dismayed if one's personal healing does not take place immediately: for the timing of healing is not all the same for everyone – there is no logical explanation why this is so. The most important thing to keep in mind is that healing can and will take place for everyone whose mortal life is not yet come to an end, and is determined, with faith, in **claiming the promises** (words) of God, and accepting that God is a God of miracles, a **God that heals**.

A person is encouraged to go forward with faith, and do **claim** the words of God for healing and/or for other blessing sought for. **A prayer guideline is presented in two parts:**

Part 1 – Prayer Guideline: Invoke a **prayer-command:** it can be any statement... as simple and straight-forward as the following – or pronounce something similar as the Holy Spirit gives utterance – **Doctrine & Covenants 14:8:**

- In the Holy name of Jesus Christ, rise up and walk.
- In the Holy name of Jesus Christ, I claim the words of God for healing upon myself: that my right ear be opened and receive normal hearing. In Jesus Christ, I cast out the evil-spirits of infirmities from my body and soul.
- In the Holy name of Jesus Christ, I command the evil-spirit of arthritis to depart from the body and soul of Martha – in the Holy name of Jesus Christ I now invoke a complete healing upon Martha that she be made whole.
- In the Holy name of Jesus Christ, I claim the words of God that I am wonderfully made. In Jesus Christ, I command my body to produce proper level of insulin daily that I no longer be diabetic.

Part 2 – Prayer Guideline: Declare the *words of thanksgiving*:

- **I thank Thee O God – Praise the Lord, I believe – I receive in Jesus Christ, amen.**

The following individuals received divine healing – Godcare... God's Goodness: **ALL Glory-Honor-Praise to Heavenly Father - the Almighty**, in the holy name of Christ Jesus, through the administration of the Holy Ghost:

- Anushka healed from a Liver defects.
- Amina, a young girl, healed completely of leukemia... the evil-spirit leukemia was cast out.
- Ross, a father of two young children, was healed of cardiac sarcoma (a rare heart cancer)... the evil-spirit of heart-cancer completely driven out from his body and soul.
- Greg, with stage 2 colon cancer, was completely healed after a divine healing prayer was invoked on his behalf.
- Michael suffered from an acute spinal cord stroke was healed after a divine healing prayer was invoked on his behalf.
- Ruth was healed gradually from a damaged spinal cord... it took 10 months of prayers and several fasting sessions (personal, family member, & friends) for her to be completely healed. She persisted in overcoming the evil-spirit of infirmity. She continued to focused on God's promised words and continued to claim them – she did not quit but persisted – she got her healing.

Important note: in many cases, the evil-spirits of infirmities tend to linger around, for as long as they can – illegally. One must recognize her/his right to good health and divine healing... for every child of God is blessed with the promised words of God. Every recipient of divine healing must believe with faith, must seek forgiveness for oneself (and/or past generational sins that brought the cursed of maladies in one's family tree), **must fervently CLAIM the words of God** and the very directive of Jesus Christ to **invoke the prayer-command to be healed in the Holy name of Jesus Christ** – along with a prayer of Thanksgiving: **I believe - I receive in Jesus Christ, amen.**

The Great Savior Jesus Christ, the Master Healer, inquired: **'Wilt thou be made whole?' John 5:6-9**

An invalid man came to Bethesda pool regularly, hoping to be the first one to enter the water at Bethesda at the very hour when the water is troubled by a healing-angel, and be healed of his affliction. Christ recognizing this man's faith, He healed-freed him from the evil-spirit of infirmity – he walked, being made whole.

An infirmed/afflicted person must desire and seek healing from God in order to effectuate the process of healing: **one's free agency must be exercised, along with faith in Jesus Christ, and His living words.**

Indeed, those who liken the living words of God with **cognitive awareness (not ignorant – not by feelings)** in one's life: **just taking / accepting the promised words of God as they stand – guaranteed by the Godhead** – shall be healed and enjoy an abundant life in Christ Jesus. **Every child of God has the divine right to cast out, expel, banish all evil-spirits of infirmities in one's life.** Therefore, do not be lacking faith, but be believing; do not be ignorant, but know God's words.

Do take-in the living words of God (all His promised words) as prescriptions against all kinds of maladies and diseases, faithfully claiming the very words of God... by so doing, you shall witness and experience the Goodness of God, for God shall verify all His promised words upon every believing child of God. Do **Claim** and **Enjoy** God's Goodness. God Bless !!!

Very Important Note: The Divine Healing, accompanied by the bestowal of the Holy Ghost upon the true believers of Jesus Christ in the Meridian Era, **was never expired:** we are continually living the New Testament dispensation with the Holy Ghost, a member of the Godhead, dispensing the Gifts of the Holy Spirit and confirming the living words of Jesus Christ, and testifying (carrying out) the Will of God the Father upon humanity.

Therefore, exercise your free-agency with divine faith, by claiming the promised words of God, to receive God's Goodness – Godcare – Divine Healing, for yourself, for your family members, and for others (your extended siblings).
